

**The Banff International Research Station
for Mathematical Innovation and Discovery**

Requests the pleasure of your company
At its event in celebration of research collaboration in North America

On Saturday, September 25, 2010
At The Banff Centre, Alberta, Canada

Central to the event will be a public lecture at 3:00 pm, delivered by
Rita Colwell, former Director of the NSF and the 2010 winner of the Stockholm Water Prize

And a joint announcement at 4:00 pm, by
The Natural Sciences and Engineering Research Council of Canada
The Ministry of Advanced Education and Technology for Alberta
The National Science Foundation of the United States of America
The Consejo Nacional de Ciencia y Tecnología de Mexico

This will be followed by a celebratory reception.
