

Curriculum Vitae

Name: Petra Bonfert-Taylor (née Bonfert).

Address: Department of Mathematics and Computer Science, Wesleyan University, Middletown, CT 06459, USA.

Phone: (860) 685-2199 (Math. Dept.); (860) 349-6549 (home).

E-mail: pbonfert@wesleyan.edu

Date and Place of Birth: October 2, 1969; Berlin, Germany.

Family Status: Married (Edward C. Taylor), two children (Alexander Taylor, age 8, and Elaine Taylor, age 4).

Education:

Ph.D. April 1996, Technical University of Berlin, summa cum laude.

Ph.D. advisor: Christian Pommerenke

Thesis title: On Iteration in Planar Domains.

Diplom February 1994, Technical University of Berlin, summa cum laude.

Vordiplom October 1990, Technical University of Berlin.

Employment:

July 2006 - present, Associate Professor of Mathematics, Wesleyan University.

July 1999 - June 2006, Assistant Professor of Mathematics (tenure track), Wesleyan University.

Sep. 1996 - June 1999, Assistant Professor of Mathematics (postdoctoral fellow), University of Michigan.

Oct. 1995 - Sep. 1996, "Assistant", Technical University of Berlin.

Apr. 1991 - Apr. 1994, "Tutor", Technical University of Berlin.

Research Interests: My research interests are in complex analysis, geometric function theory, quasiconformal groups and convergence groups and complex dynamics.
