# It was always about the Hype

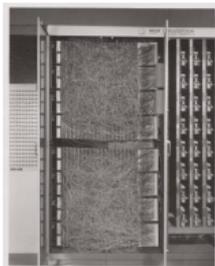

Non-free, [https://upload.wikimedia.org/wikipedia/en/5/52/Mark\\_I\\_perceptron.jpeg](https://upload.wikimedia.org/wikipedia/en/5/52/Mark_I_perceptron.jpeg)

## **The New York Times, 1958**

*... the embryo of an electronic computer that (the Navy) expects will be able to walk, talk, see, write, reproduce itself and be conscious of its existence.*

# It was always about the Hype

## The New York Times, 1958

*... the embryo of an electronic computer that (the Navy) expects will be able to walk, talk, see, write, reproduce itself and be conscious of its existence.*

## Artificial Intelligence: A Modern Approach [Russell & Norvig, 2016]

*Although airplanes might have been inspired by birds, ornithology has not been the primary driver of aeronautics innovation for some centuries.*

## The New York Times, 1958

*... the embryo of an electronic computer that (the Navy) expects will be able to walk, talk, see, write, reproduce itself and be conscious of its existence.*

## Artificial Intelligence: A Modern Approach [Russell & Norvig, 2016]

*Although airplanes might have been inspired by birds, ornithology has not been the primary driver of aeronautics innovation for some centuries.*

## Dive Deep into Deep Learning [Zhang, Aston, 2021]

*Likewise, inspiration in deep learning these days comes in equal or greater measure from mathematics, statistics, and computer science.*

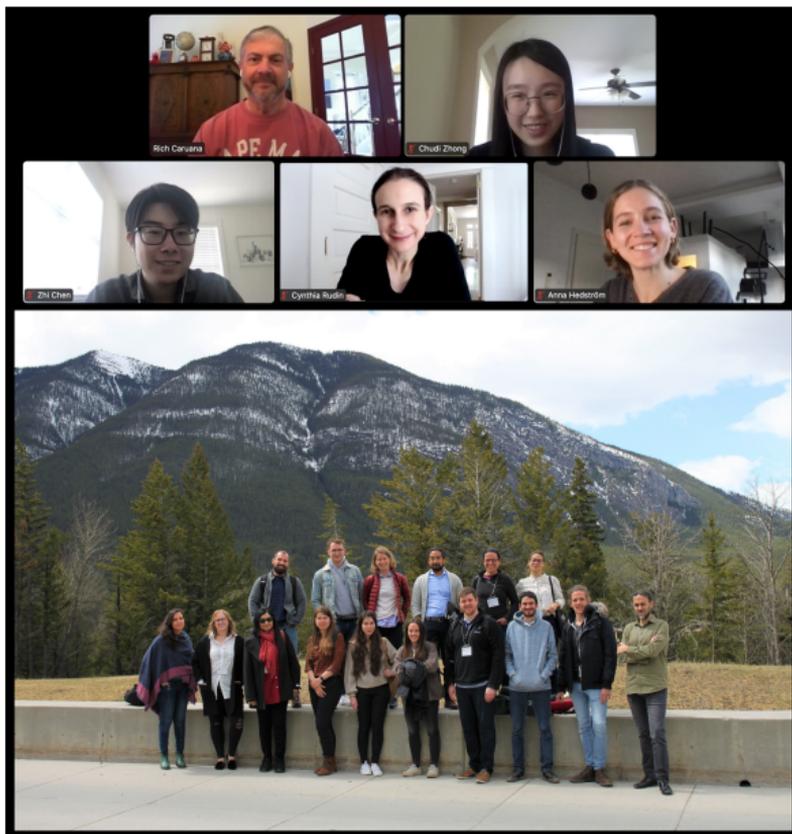

# Knowledge discovery

**Living Contradiction** is a fascinating, honest examination of that genuine contradiction faced by teachers in reconciling the effort made to encourage young people towards independent critical thinking, with the simultaneous sense of responsibility to instruct and insist on a particular behaviour.

## Trustworthiness

The **WHY** is as important as the **WHAT**

# Thank You!
